Jewels to be treasured

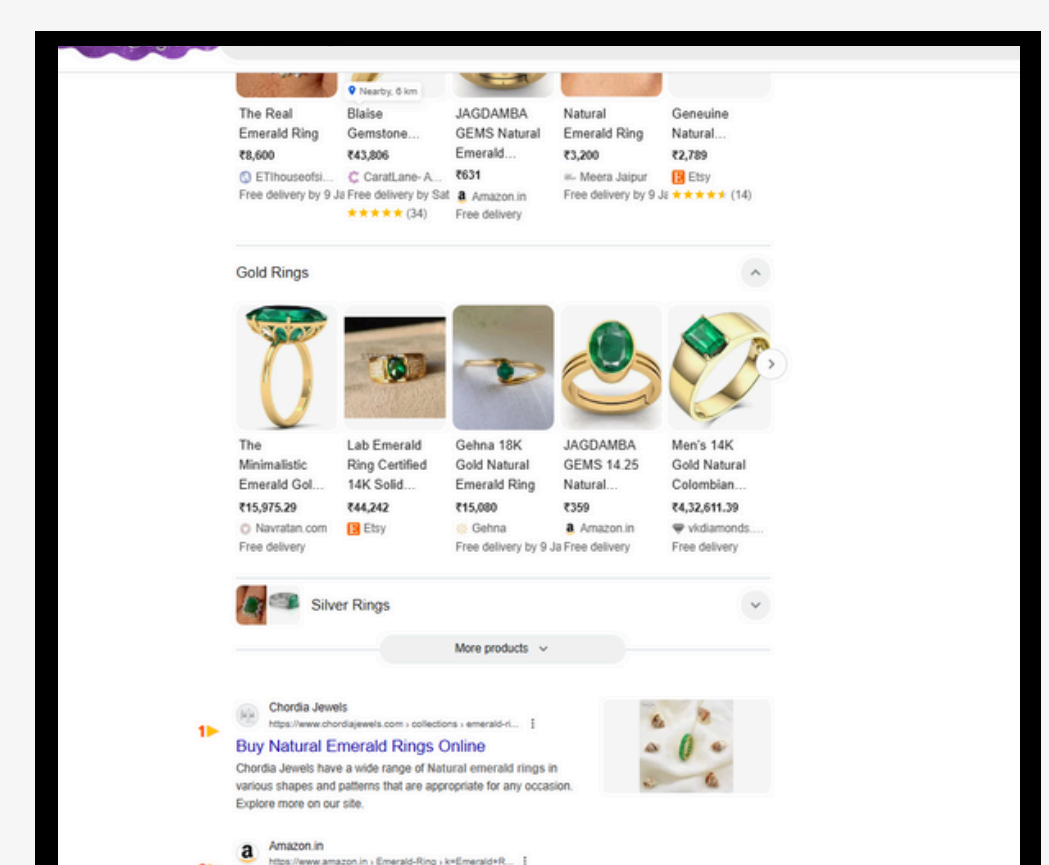

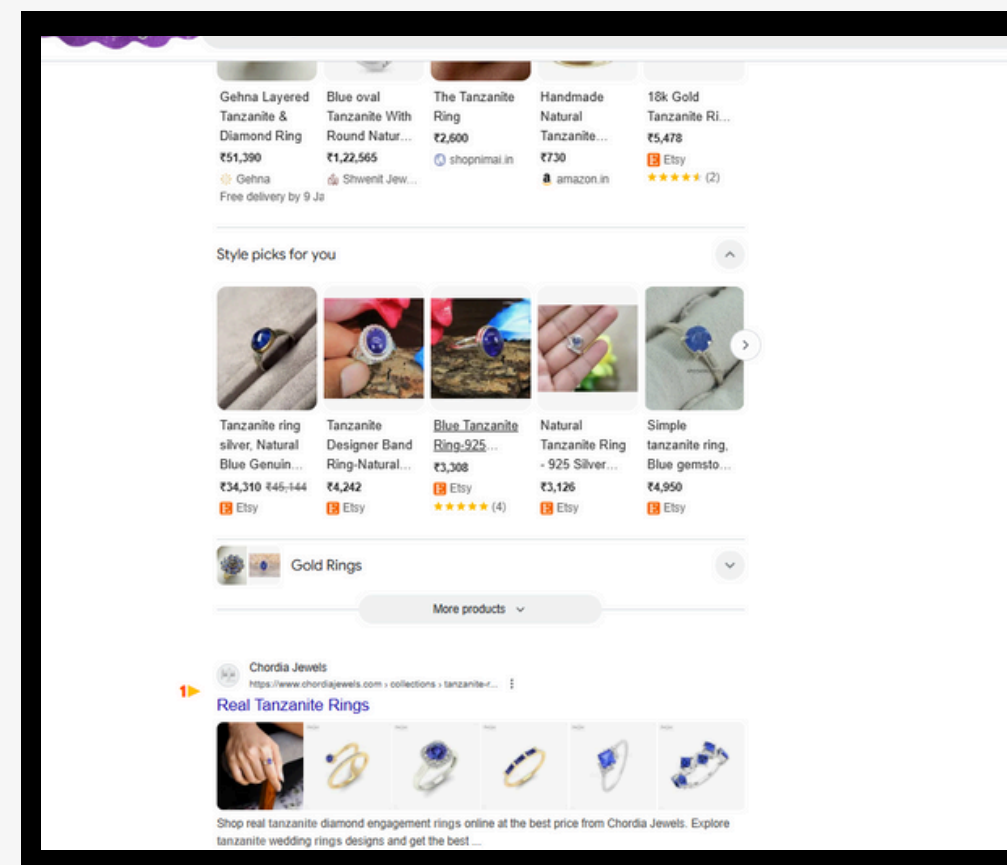

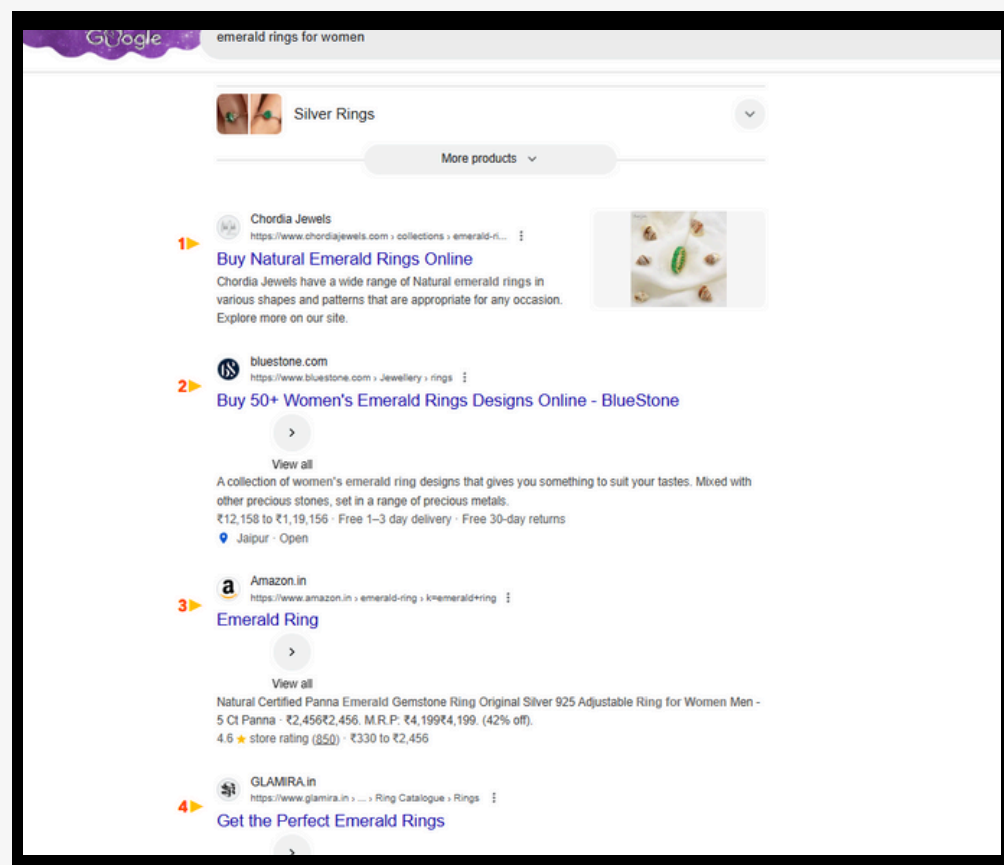

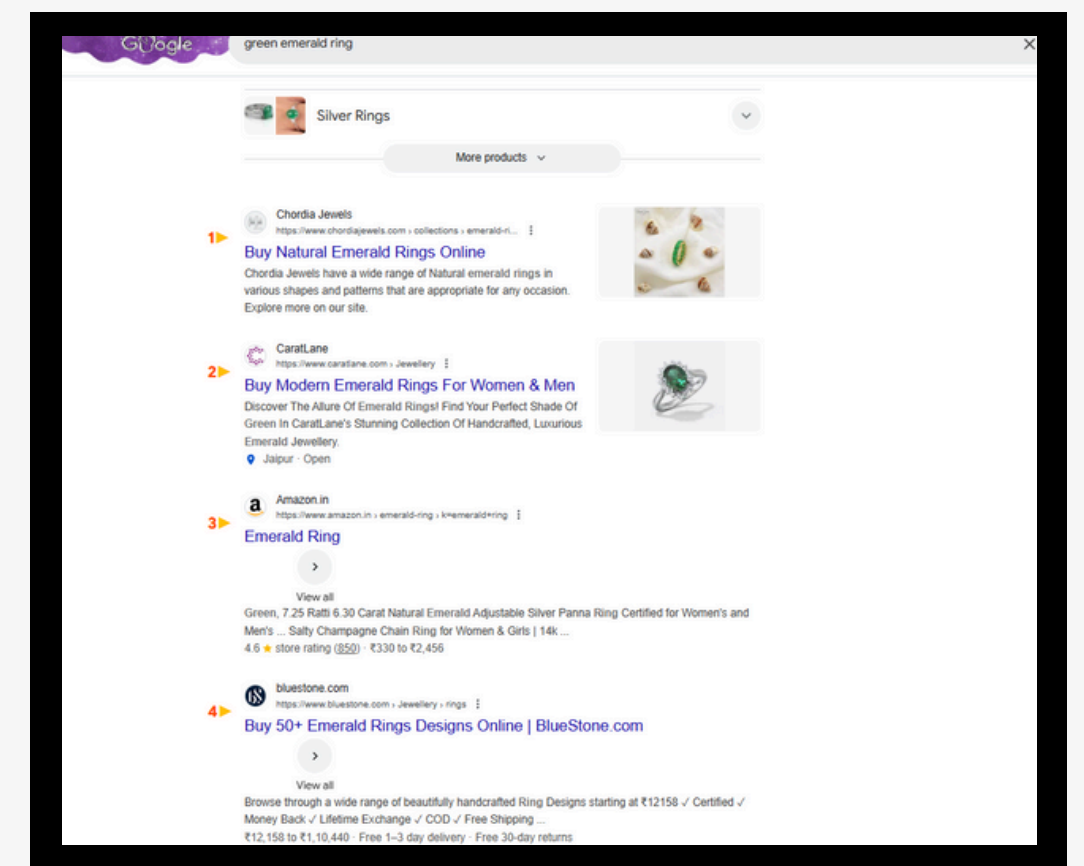

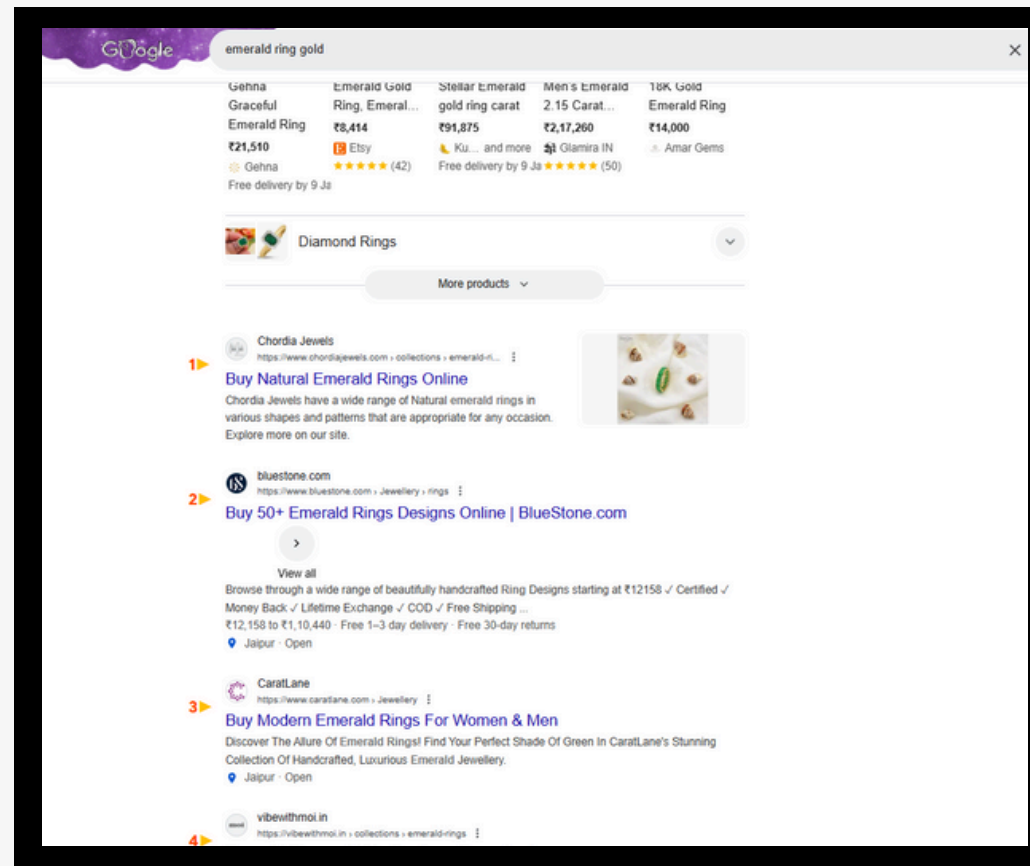

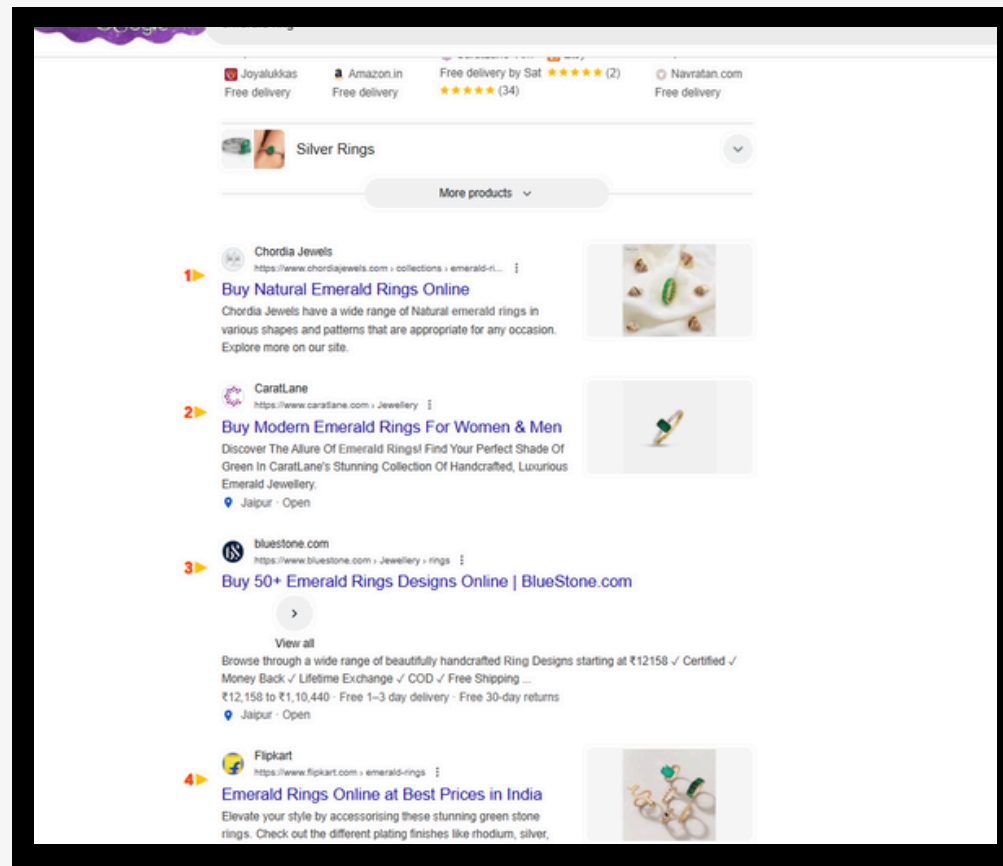

## Client Problem

- Limited visibility in local searches and low website traffic.
- Low Ranking
- Poor User Experience (UX)
- Limited Conversion Opportunities
- Irrelevant Traffic
- Outranked By Competitors
- No Measurable Results

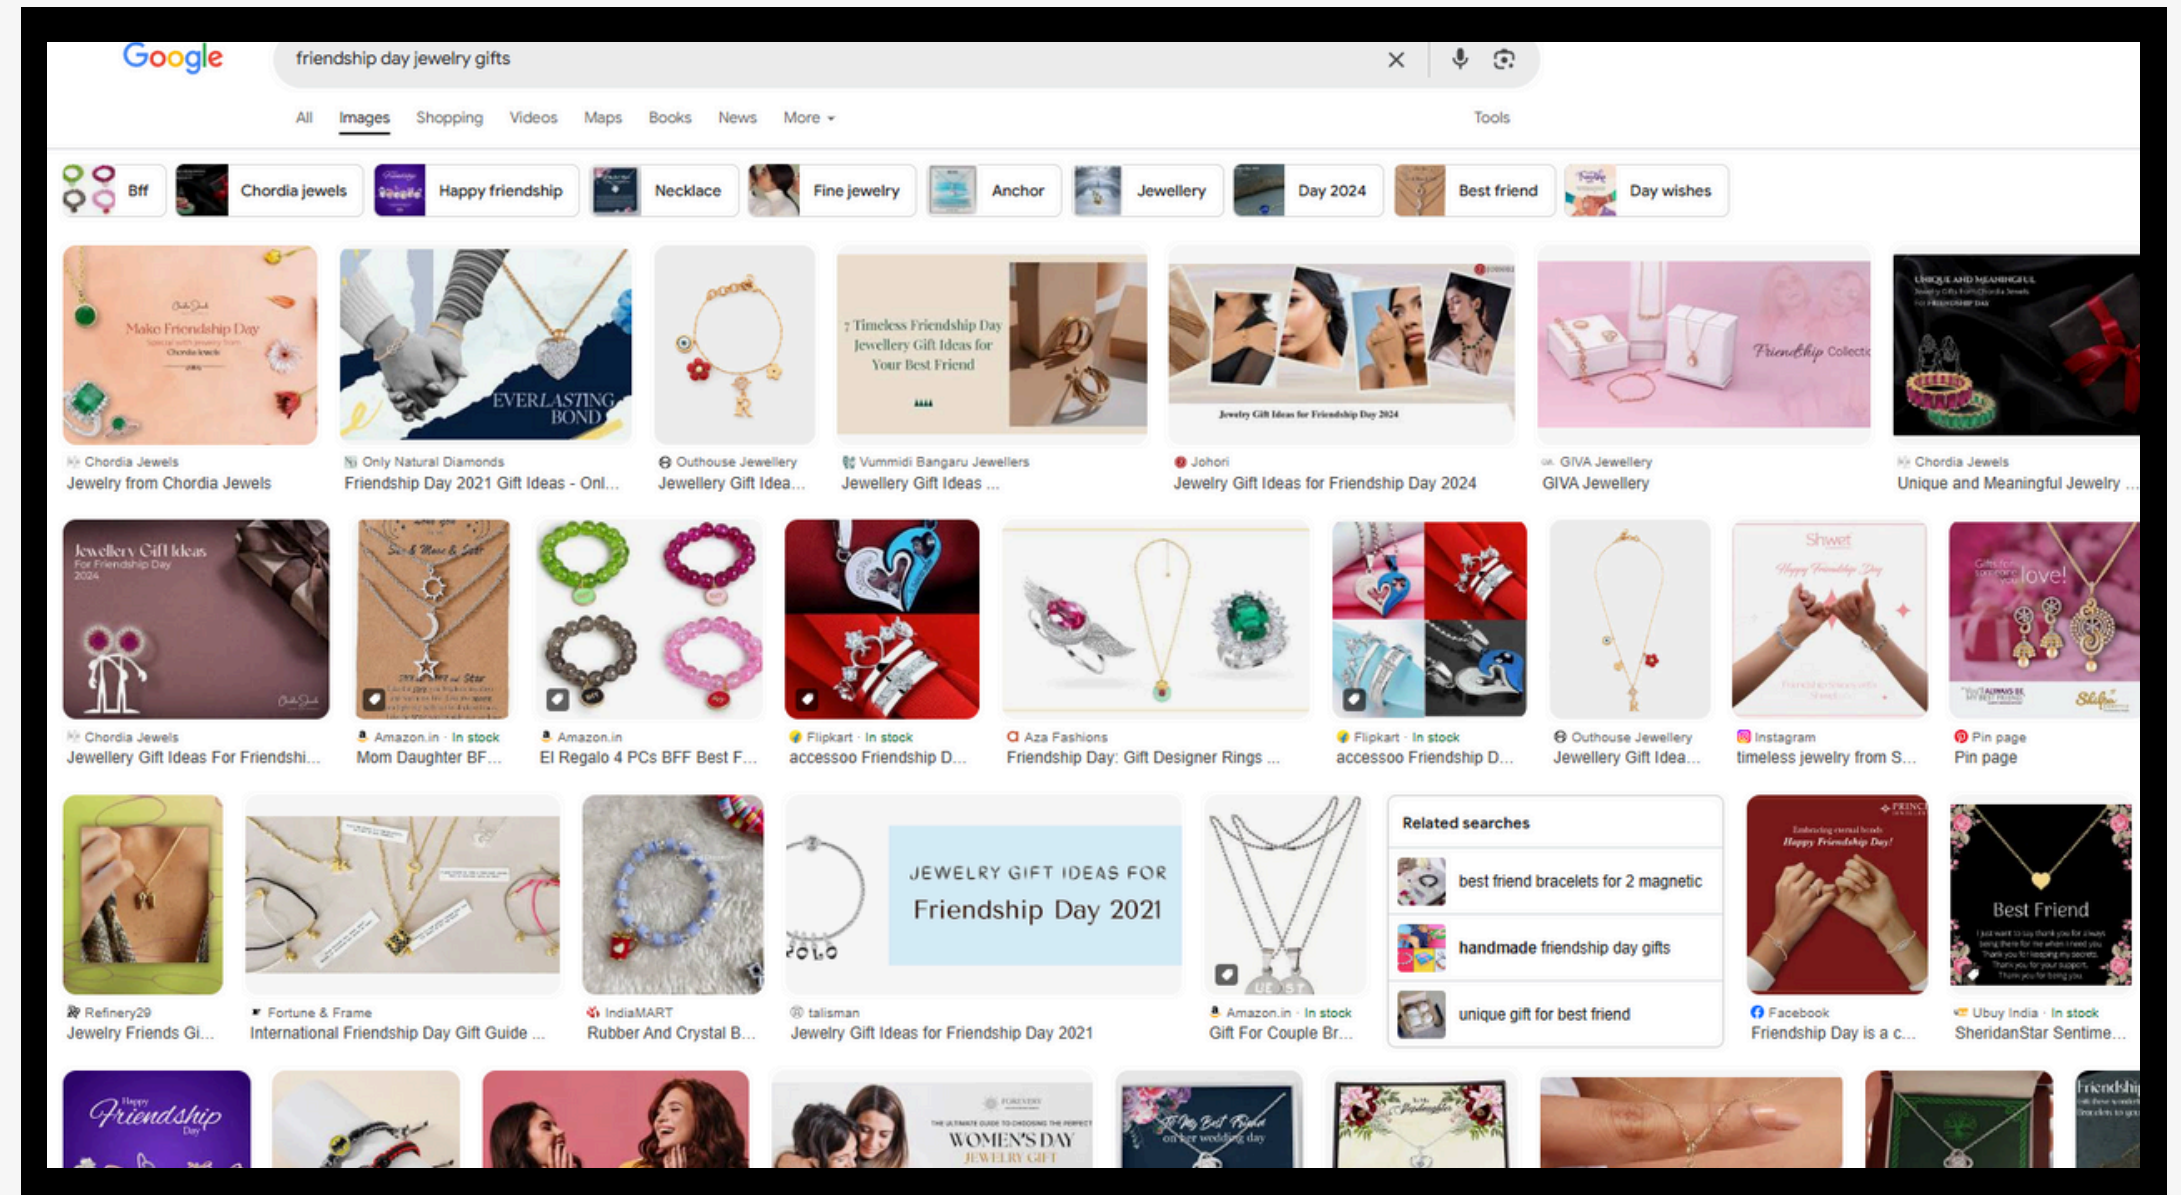

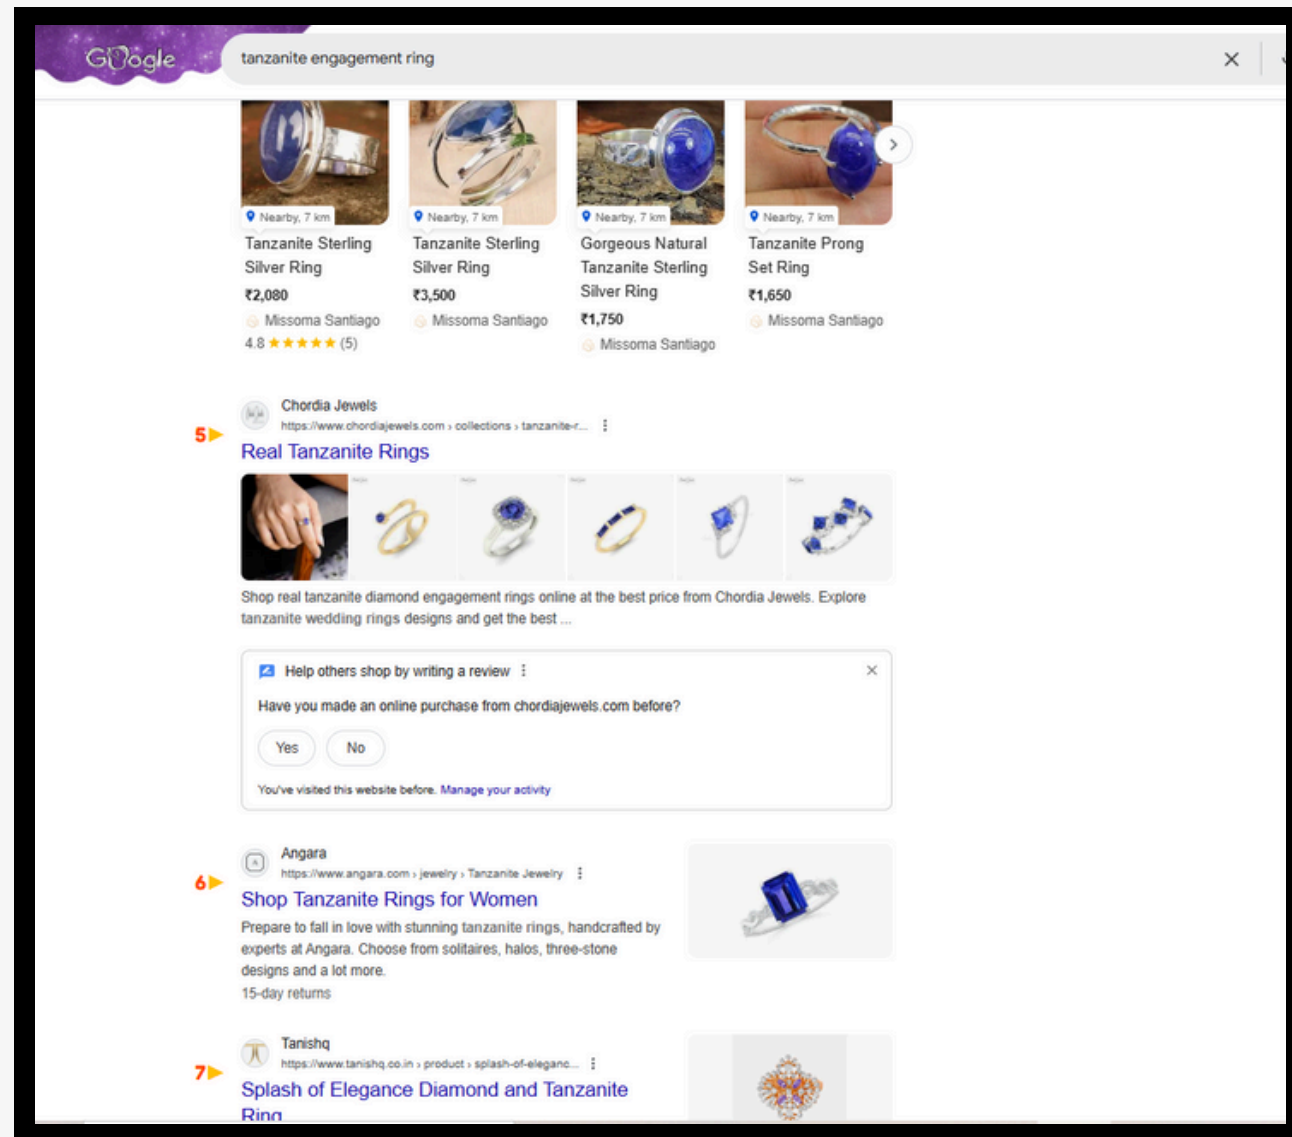

# Our Seo Approach

- **Competitor Analysis:** Study top competitors' keywords, backlinks, and strategies to identify gaps and outperform them.
- **Target Audience:** Focus on local, high-intent users with relevant geo-specific and transactional keywords.
- **On-Page SEO:** Optimize meta tags, headers, internal links, and ensure fast, mobile-friendly pages with engaging visuals.
- **Keyword Research:** Target long-tail, high-volume, and local keywords aligned with user intent.
- **Off-Page SEO:** Build high-quality backlinks, local citations, and engage on social platforms to boost authority.
- **Strong Techniques:** Schema Markup, Featured Snippets, E-A-T Content, Local SEO, Page Speed Optimization

# Our Result

# Our Result

At Sage Media Agency, we pride ourselves on delivering measurable success for our clients. When Chordia Jewels approached us, they were struggling with weak SEO, limited visibility, and low website traffic. Our expert team analyzed their challenges and implemented a tailored SEO strategy that included comprehensive competitor analysis, advanced keyword research, on-page and off-page optimization, and result-driven content creation.
